000100-900000 Legal Benefits

This Transaction Code Schedule series is effective January 1, 2026. Effective April 1, 2024, approved Panel Attorneys are paid a \$250 hourly rate. Previous Code Schedules and their corresponding hourly rates apply to all authorized benefit claims prior to April 1, 2024. Only professional services and Legal Plan benefits specifically identified in this Code Schedule series are covered pursuant to Plan terms. Benefits are not reinstated annually. Approved Panel Attorneys agree to accept the maximum benefit and shall not charge the Participant additional professional fees for covered services, even if the maximum benefit is exhausted. Benefits are not reinstated annually. Plan claim processing forms are required to be submitted before beginning services. Timely monthly Plan statement/invoice forms are required for each authorized claim until the matter is completed. Only one billing month is permitted per each statement/invoice. All Legal Plan forms, receipts, and required documents must be submitted through the secure Plan Dropbox. Outdated, handwritten, scanned, incomplete, or incorrect forms or Dropbox fields will be rejected. Facsimile or emailed Plan forms, receipts, or required documents will be denied due to confidentiality and security requirements. Monthly statements and invoices must be submitted by the 3rd business day of each month to be included in the monthly payment cycle. Statement/invoice forms must list service dates, time increments, and service descriptions for each date. Failure to submit Plan statement/invoice forms 12 months from last Plan statement/invoice for an authorized claim will result in the claim being closed and no further payments will be processed. A written explanation of untimely Plan statement/invoice forms is required. Participant reimbursement is not permitted except for benefits under code series 600000 and requires a paid receipt identifying date paid, amount, and Participant/dependent name, and be submitted with a Plan statement/invoice via Dropbox. Reimbursement is not allowed if the attorney did not perform the covered service or if the Participant was ineligible on the date the fee was paid. The reimbursement statute of limitation is one year from the date of receipt. Monthly benefit payments are issued on the 15th business day of each month; please allow 5–14 business days for USPS delivery. Duplicate claims for the same legal matter will be denied. A Participant-signed claim form is required for all benefit payments except telephone consultation benefits. The Legal Plan does not pay for witness, investigation, forensic, courier, miscellaneous filing services, fines, penalties, long-distance charges, photocopying, postage, home-purchase fees (survey, escrow, closing, etc.), publication fees, translator fees, gas, file review, claim/payment submittal or any similar non-legal costs. These expenses are the responsibility of the Plan Participant. TRANSACTION CODE SCHEDULE

Immigration Legal Benefits - United States Only

This Transaction Code Schedule series is effective January 1, 2026. Previous Transaction Code Schedules remain in effect for all benefit claims authorized prior to July 24, 2024. Only professional services and Legal Plan benefits specifically identified in this Immigration Code Schedule are covered and will be approved for claim authorization and payment pursuant to the terms and conditions of the Legal Plan. Covered immigration matters under this section of the 800000 series are paid on a flat-fee basis. Benefits are not reinstated annually except as follows: Effective May 1, 2007, the Board of Trustees implemented a two-year waiting period for re-applications for citizenship (800010), visa petition/permanent residency/naturalization (800100), and consular processing/affidavit of support (801100/800500), along with associated filing fees, with a maximum lifetime benefit of two (2) for these codes. All other immigration benefits are limited to one (1) lifetime benefit per eligible Participant or dependent. Benefit codes 800400 and 800450 are available annually. Approved Panel Attorneys agree to accept the maximum benefit and shall not charge the Participant additional professional fees for covered services, regardless of whether the maximum benefit is exhausted. Approved Panel Attorneys must submit Legal Plan claim processing forms prior to commencing services. Timely Plan statement forms are required for each authorized claim after completion of legal services. All Plan forms can be obtained from www.exemplarlegal.com. All Plan forms, receipts, and required documents must be submitted through the secure Plan Dropbox. Out-of-date, scanned, handwritten, incomplete, erroneous forms or Dropbox field entries will be rejected. Forms, receipts, and documents are not accepted by facsimile or email due to confidentiality and security requirements. Immigration benefits are limited to the covered benefit description, and are limited to an eligible Participant, enrolled dependent, or otherwise described in the benefit description as the participant as petitioner, sponsor, or beneficiary of participant's immediate parents, siblings, spouse, or children. Only the identified benefits and associated USCIS filing fee form numbers described in this Code Schedule are covered and will be paid. Covered filing fee benefits exclude all biometric and medical examination fees, as well as additional fees for paper filing. Participant or represented Panel Attorney is required to have a signed claim form for all benefit payments. Covered immigration filing fees will only be reimbursed to a Participant or approved Panel Attorney for an authorized claim and with a valid USCIS receipt or credit card/bank statement verifying payment to USCIS, the payment date, amount paid, and identifying Participant/dependent name. Plan Statement forms are required upon completion of the covered benefit and must include service commencement and completion dates in the indicated form fields. Untimely statement forms require a letter explaining the untimely statement circumstances for review by the Trustees and Trust Fund Auditors for consideration of payment for services. Reimbursement will be denied if a Legal Plan claim was not authorized to an approved Panel Attorney, if the Panel Attorney did not perform a covered benefit, if the Participant was ineligible at the time the filing fee was paid. The statute of limitation for any benefit claim or reimbursement request receipt is one (1) year from the date the claim was authorized. Statements must be submitted by the third (3rd) business day of each month to be processed in the monthly benefit payment cycle. Benefit payments will be released on the 15th business day of each month. Please allow 5 to 14 business days for U.S. Postal Service delivery. These benefits will remain available to an eligible Participant and any enrolled spouse and dependent children (under age 18, unmarried) for any deportation of a Participant or deportation events related to an enrolled dependent Spouse or children which arise from a Participant's deportation, once an 807000 series claim has been authorized, regardless of whether the Participant later ceases to remain eligible or otherwise becomes ineligible for Plan benefits.

If any of the benefits listed below and/or any benefits described on pages 6–9 of this Transaction Code Schedule are required in connection with the defense of deportation (removal proceedings), then the benefits set forth on pages 6–9 of this Transaction Code Schedule—together with the corresponding flat-fee maximum benefit, and any associated filing fee—shall apply and remain in effect for the covered services.

This benefit code series is limited to the Participant or the enrolled spouse or dependent child (under age 18, unmarried) if the subject of a deportation event is related to the Participant. Panel Attorneys are paid a \$300 hourly rate for authorized claims. Only professional services and Legal Plan benefits specifically identified in this Transaction Code Schedule series are covered and eligible for claim authorization and payment pursuant to Plan terms. Benefits are not reinstated annually. Approved Panel Attorneys agree to accept the maximum benefit and shall not charge the Participant additional professional fees for covered services, even if the maximum benefit is exhausted. Attorneys must submit Plan-approved claim processing forms before commencing services and must provide timely monthly Legal Plan statements and itemized Plan invoice forms for each authorized claim until the matter is completed. All Legal Plan forms and payment documents must be obtained from www.exemplarlegal.com and submitted through the secure Dropbox. Outdated, handwritten, scanned, incomplete, or incorrect forms or Dropbox field entries will be rejected. Forms are not accepted by facsimile or email due to confidentiality and security requirements. Monthly statements and invoices must be submitted by the 3rd business day of each month to be included in the monthly payment cycle and must include service dates, time increments, and service descriptions for each date of service. Covered immigration filing fees will be reimbursed to a Participant or approved Panel Attorney with an authorized claim and a valid USCIS receipt or credit card/bank statement verifying payment to USCIS, payment date, amount, and Participant/dependent name. All receipts and forms must be submitted via the Legal Plan Dropbox. Reimbursement will not be issued if the Legal Plan claim was not authorized, if the Panel Attorney did not provide a covered Legal Plan benefit, or if the Participant was ineligible at the time the filing fee was paid. The time limitation for any benefit claim or reimbursement request is 1 year from the date the claim was authorized.
